Subject: RE: Potential dates for Visit to Grand Coulee

Hi Brian,

Just got your voicemail; I'm sorry for my delay in responding as I have had to wait Ex. 6 Personal Privacy (PP) to confirm dates for the trip. Ex. 6 Personal Privacy (PP) October 4th will work for our meeting. There will be three of us coming: Susan Poulson, NPDES permits team lead; Mike Lidgard, NPDES permits manager, and myself. We will be driving over on the 4th, leaving early in the morning so that we will be able to meet you hopefully around 11:00 (arrival tentative time at this point). We will be spending the night (thank you for the recommendation) and returning to Seattle on the 5th. We would be available to meet, if desired, the morning of the 5th.

Please let me know if you have questions, and please let me know of any requirements for the site visit.

Thanks

Dru

Thanks, Dru. Once we've settled on a date I'll start working on the logistics.

Bryan

Hi Bryan,

Thanks for sending potential dates for a site visit. I will check with folks at my end and will get back with you; it will be a tentative response as my manager is out for a couple of weeks (and he expressed interest in coming). For sure Sept 7th won't work, but the other two are possible.

Dru

Subject: Potential dates for Visit to Grand Coulee

Hello Dru-

I wanted to follow up with you regarding a visit to Grand Coulee this fall. We are working with RiverKeeper on a broad settlement agreement, but want to move forward with EPA on the NPDES permitting process.

I spoke to our folks at Grand Coulee and some potential dates they provided are September 7, October 4, and October 5. Might one of those days work for you and whomever else at EPA would like to join us?

Give me a call if you have any questions. I hope you're having a great week.

Sincerely,

Bryan R. Horsburgh
